JON W. CARFILIPPO
CLERK

Dear Ms. ~~Fink~~, *Maxwell*

I am requesting to review the probation records of Walter E. Ellis, 6-24-1960. He was in federal custody and on federal supervision in 1990-1992. (1990-CR-44) Since Ellis is no longer under federal supervision, I believe the file should be open to inspection for use in a possible news article. Further, details of Ellis' earlier case(s) are of public interest. I understand from probation officials the file is in storage in Chicago, but they are retrieving it. I am not sure which judge should review this request. I believe former U.S. District Judge Evans sentenced Ellis.

Please contact me with any questions.

Sincerely,

John Diedrich
